

DEPARTMENT OF TRANSPORTATION
JOB OPPORTUNITY
Transportation Engineer 3 (Engineering)
Bureau of Engineering and Construction

PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE BOTTOM OF THIS PAGE!

Open To: The Public (Refer to "Eligibility" section below)
Location: Newington, CT
Job Posting No: 105907
Hours: Full time, 40 hours per week
Salary: \$76,850 annually - Pay grade FS-27a
Closing Date: extended to November 15, 2013 - 4:00 p.m.

There are several Transportation Engineer 3 (Engineering) positions available in the Office of Engineering, Division of Bridges and Facilities, in the Bridge Design unit and the Consultant Design Unit including one position specific to Design-Build projects. The positions are in the P-4 (Engineering and Scientific) bargaining unit. Applicants who apply to this posting will be considered for all positions included in this posting. Only one application package is required.

Position Description: Responsibilities of these positions include, but are not limited to: oversee work of lower level engineers; perform complex structural design work; act as liaison between towns and state as consulting engineer in repair of bridges; oversee and conduct research on materials incorporated in bridges and miscellaneous structures as well as maintenance and construction methods in field; oversee state and consultant engineers; assist in coordination of work of design engineers with consulting engineers in preparation of plans to determine contract documents; oversee consultant engineers in the preparation of plans, specifications, and estimates of bridges and structural improvements; represent state in negotiations with consultants for determined scope of services; represent state in negotiations with Federal Highway Administration for reimbursement of funds to state; provide solutions for bridge maintenance and project needs; maintain and report on project budgets and schedules; perform and oversee load rating analysis for bridges and other structures; other duties as required.

Preferred Knowledge, Skills and Abilities: Considerable knowledge of principles and practices of civil engineering; considerable interpersonal skills and oral and written communication skills; ability to work with other Department units, consultant, towns, state and federal agencies; knowledge of highway and bridge construction methods and materials; ability to analyze bridge and structural design problems and recommend effective solutions; desire to apply bridge management and accelerated bridge construction techniques and software.

The successful candidate for these positions must be available to attend public meetings outside of normal working hours, when necessary.

Eligibility: Candidates must have passed the Transportation Engineer 3 (Engineering) exam and be on a current certification list promulgated by the Department of Administrative Services*. Employees who currently hold this title or those who have previously attained permanent status in this title since their most recent hire date, may apply for lateral transfer. * Applicants who apply to DAS for the currently announced Transportation Engineer 3 (Engineering) exam by the November 15, 2013 deadline, may also apply for this job posting. Such applicants will be eligible for interview, but will not be eligible for appointment unless they receive a passing score on the exam on the December 27, 2013 exam grading date.

Application Instructions: Submit a cover letter which states your interest and suitability for these positions, resume, application (State of Connecticut Application for Examination of Employment Form CT-HR-12) and copies of last two service ratings received (State employees only) to:

DEPARTMENT OF TRANSPORTATION
Brenda Civiello
Bureau of Engineering and Construction
Room 3402
2800 Berlin Turnpike
Newington, CT 06111
or e-mail to Brenda.civiello@ct.gov

Applications must be received by the closing date and time stated above and will be considered incomplete without all required documents. Late and incomplete application packages will not be considered. Refer to the DAS website at <http://das.ct.gov/HR/JobspecNew/JobDetail.asp?FCC=6274> for job specification requirements. Application forms are available at: http://das.ct.gov/HR/Forms/CT-HR-12_Application.pdf. Interviews may be limited to candidates whose experience and training most closely meet the requirements of these positions. The candidate pool resulting from these interviews may be used to fill Transportation Engineer 3 (E) vacancies that occur in the Office of Engineering, Division of Bridges and Facilities, in the next twelve (12) months.

Note: The filling of this position will be in accordance with reemployment, SEBAC, transfer, promotion and merit employment rules, if applicable.

AN AFFIRMATIVE ACTION/EQUAL OPPORTUNITY EMPLOYER

The State of Connecticut is an equal opportunity/affirmative action employer and strongly encourages the applications of women, minorities, and persons with disabilities.
